

To all our Slavic + Food Fest Volunteers – THANK YOU!!!
We couldn't have done it without you.

From planning, to food prep, to serving, to cleanup, you guys and gals stepped up to the many challenges we faced this year and knocked it out of the park.

We are thankful for our returning volunteers and especially thankful for our new volunteers. You all worked tirelessly and harmoniously. Hope your experience was a good one and that you would consider volunteering again.

Thanks again
